Havana. THE HARBOR.

LL2289

By Appointment.

POST CARD

CARTE POSTALE. POSTKARTE.

The Harbor of Havana teems with numerous little boats, called "guadaños," a type peculiar to the place. They are a kind of sail or rowboat, heavy and substantial in construction, partly equipped with an awning and supported by a basket-like framework. Passengers from steamers usually go ashore and return by these boats, as the larger vessels seldom dock at the wharves.
